

Treadfirst

Life Insurance (known as Death in Service)

Whilst we very much hope that we do not need to make a claim, we feel that it is important that you are aware of this cover that we supply as a useful benefit

All employees are automatically enrolled into the scheme once they have been employed for 3 months and will remain on the policy whilst employed by Treadfirst up to retirement age. If you are past retirement age and still working with Treadfirst, sadly you will not be covered by this policy.

If any covered employee dies, their next of kin, or person/people named on the Expression of Wish form will receive 2 x their annual salary.

It is prudent to complete an 'Expression of Wish' form so that recipients of any payment can be nominated.

Additional benefits included with their policy are:

- Mystrength
- ToothFairy
- Bereavement Counselling
- Probate Helpline

Further information can be accessed via [Support Services | Workplace | Canada Life UK](#)

If you wish to use any of these services and need access codes, please ask Head Office
